

Invitation for the 2012 June Sesshin

with Shodo Harada Roshi

Organized by Polish One Drop Zendo

Dear Sangha,

Dates: the sesshin will take place from the 17th of June (Kokuho). Please arrive until 6pm. The sesshin ends officially on the 24th of June at 10pm, yet we have morning sutras and clean up on the 25th morning. Please arrange your schedule so that you can stay for the whole sesshin.

The place is: Hokuozan Sogenji, Birkenweg 1, 27330 Asendorf. Closest train stations are Syke or Nienburg (Weser). From there we will organize the pick up with group taxis. We have bedding, big sitting cushions (Tanbuton), zafu, towels, eating bowls (jihatsu).

Fee: the sesshin fee is 300 Euro and 170 Euro for scholarships. Since we need to install a new heating in Hokuozan (it was too weak during the January sesshin), we need to start saving money. Thank you for your understanding

Kitchen help:

Mioun is willing to take the job of the kitchen supervisor for the whole week. Apart from that each One Drop Zendo should name a tenzo for one day of the sesshin. Please do that with the application. You can, of course suggest the menu for the specific day. If not the supervisor will take care of that.

Application deadline:

Please sign up with your leaders until the 15th of April. If you are in need of scholarship, please inform your leader when you sign up.

Enroll at:

tekisuian.poland@mahajana.net

Everybody who signed up in January, should confirm.

Please do not use your mobile phones. The telephone number for Hokuozan Sogenji for emergencies is: 0049-4253224557. Again it will be a sesshin where Silence is stressed. Please only sign up if you vow to yourself to stay in silence for the week.

We will have a detailed information meeting before the sesshin, so that the flow of the sesshin can move better. You can find videos about jihatsu use, kinhin and sanzen, keisaku and moving in the zendo. You are welcome to visit Hokuozan Sogenji`s chanel on youtube.

Looking forward to a good sesshin together.

Genyu and Genshin,
