EKO:

We humbly request the Three Treasures to lead us to true wisdom. We dedicate the merit of reciting the Heart Sutra to Shakyamuni Butsu and celebrate his supreme enlightenment. May we fulfill the obligations to the Four Benefactors, benefit all living things throughout the Three Realms, and help all beings attain perfect wisdom.

We dedicate the merit to the First Ancestor Bodhai Dharuma Daishi, Hyakujo Ekai Zenji, Rinzai Gigen Zenji, Myoshin Kaisan Muso Daishi, Hakuin Ekaku Zenji and to all ancestors everywhere. You have opened the Way. We vow to repay your true compassion by following it to completion.

We dedicate the merit to Kaisan Deji Myoshin Taishitsumon Zenzu Dai Osho. You have opened the Way. We vow to repay your true compassion by following it to completion.

All Buddhas throughout space and time;
all Bodhisattvas, Mahasattvas; the great Prajna Paramita.
